

# Connect, protect and elevate your business

## Get up to five months free of our most in-demand services

For a limited time, purchase OfficeSuite UC<sup>®</sup>, SD-WAN and/or Security Services (Managed Network Security, DDoS or Secure Remote Access) and choose how many months of free service you'd like.

### OfficeSuite UC<sup>®</sup>

Improve communications and collaboration with our intuitive and feature-rich unified communications platform that features a best-in-class self-management portal to maximize your IT resources.

### SD-WAN

Transform your network and customer experience with a reliable network service that optimizes application performance, lowers your total cost of ownership and simplifies network management.

### Managed Network Security

Protect your network and business from security threats with a fully managed solution that includes firewall, intrusion prevention, antivirus, content filtering and application control.

### DDoS Mitigation Services

Gain proactive protection against Distributed Denial of Service (DDoS) attacks on your network, including third-party providers with comprehensive monitoring and rapid response to eliminate costly downtime and threats.

### Secure Remote Access

Enable remote users to access the MPLS VPN over any Internet connection and ensure that roaming users have access to important internal resources at all times.

\*Promotional credits apply to your monthly recurring charges only for services covered by this offer. Applicable taxes, surcharges, fees and assessments are excluded, and you will be responsible for payment of such charges and fees.

\*Subject to exclusions and the terms and conditions of your Windstream Enterprise agreement.
